NORTH PENN SCHOOL DISTRICT

RFP FOR MENTAL HEALTH PROFESSIONAL DEVELOPMENT FOR STAFF & FAMILY ENGAGEMENT SERVICES

I. RFP PROCESS AND MENTAL HEALTH PROFESSIONAL DEVELOPMENT AND FAMILY ENGAGEMENT SERVICES OVERVIEW

1. Background and Objectives

North Penn School District (NPSD) is a School District of the Second Class, organized and existing under the laws of the Commonwealth of Pennsylvania (the "Commonwealth"). NPSD provides education services to students living within its community. The governing body of the School District is a board of nine school directors who are each elected for a four-year term. The daily operation and management of the School District is carried out by the administrative staff of the School District, headed by the Superintendent of Schools who is appointed by the Board of School Directors.

NPSD is seeking proposals from providers qualified and experienced in providing mental health professional development and family engagement services. The vendors will have direct contact with families of students and/or district personnel. The scope of work may be completed by highly qualified licensed mental health professionals.

NPSD will use the objective criteria specified within this RFP to review proposals and will select a vendor that meets the requirements of the RFP. Any agreement issued as a result of the RFP does not guarantee any minimum amount of service or payment. A provider shall not perform services for NPSD without a fully executed agreement. A provider will be compensated by NPSD, for services satisfactorily performed in accordance with contract requirements.

Service providers must be in compliance with the Code of Federal Regulations. The provision of services pursuant to 34 CFR 300.138 through 300.143 must be provided by employees of a public agency or through contract by the public agency with an individual, association, agency, organization, or other entity. [34 CFR 300.138(c)(1)] [20 U.S.C. 1412(a)(10)(A)(vi)(I)]. Special education and related services provided to parentally-placed private school children with disabilities, including materials and equipment, must be secular, neutral, and non-ideological. [34 CFR 300.138(c)(2)] [20 U.S.C. 1412(a)(10)(A)(vi)].

The North Penn School District seeks an established vendor with substantial experience in delivering mental health professional development and family engagement sessions. The District is seeking access to high quality, equitable, and evidence-based Tier 1 Mental Health programming to support NPSD families and staff in their understanding of specific mental health topics. Vendor should have adequate staff to serve an organization as large as NPSD, approximately 13,000 students and 2,000 employees, to provide services in an inclusive environment.

Mental Health Professional means "services provided by qualified mental health specialists".

Mental Health Services may be provided to assist in their understanding of specific mental health topics. Providers of mental health awareness services will be provided to families of students, as well as students and staff in order to build a better mental health psychoeducation understanding for staff and District families.

2. Term of Agreement

The District is interested in establishing a stable relationship with the awarded vendor. To do this, the District would like to develop an agreement with a term of three (3) years, December 1, 2023 through November 30, 2026.

The District may terminate this agreement for any reason at any time by giving ninety (90) days written notice to the institution of its intention to terminate as of the date specified in the notice. Should the provider terminate prior to the expiration of the agreement, all District costs to establish a new service agreement will be the responsibility of the terminating provider. If the provider fails to perform duties to the satisfaction of NPSD, or if the provider fails to fulfill in a timely and professional manner their obligations under this agreement, or if provider violates any of the terms or provisions of this agreement, then NPSD shall have the right to terminate this agreement effective immediately upon NPSD giving written notice thereof to the provider.

3. Selection Criteria

This is a NEGOTIATED procurement and as such, award will not necessarily be made to the provider(s) submitting the lowest priced proposal. Award(s) will be made to the provider(s) submitting the best responsive proposal satisfying all NPSD requirements, price factors considered.

Upon completion of oral presentations or discussions, Contractors may be requested to revise any or all portions of their proposals.
