

Did you hear about the Inglewood Scholarship Fund?

Several times throughout the year, we ask parents and guardians to contribute to this wonderful fund at our school. Since many parents and guardians wish to show their appreciation to the Inglewood staff members during the holiday season and at the end of the year by offering a gift, we'd like to offer an alternative. We are continuing with our Inglewood Elementary School Scholarship Fund again this year.

How does it work???

In lieu of a gift for that special staff member, please consider making a confidential donation to the Inglewood Elementary Scholarship Fund. Graduating North Penn High School seniors who attended Inglewood for at least three years (Including 6th grade) are eligible to apply for this scholarship. Donations can be made before the holidays or before the end of the school year. Recipients are presented this scholarship at the awards ceremony that takes place before graduation.

How much should I give???

Any amount is greatly appreciated...and all contributions are confidential. The staff at Inglewood sincerely thanks you for your thoughtfulness and generosity. Should you choose to make a donation, please use the form below and return to either the main office or your child's teacher in a sealed envelope clearly marked "Inglewood Elementary Scholarship Fund Donation." Please make checks payable to Inglewood Home and School Association. Thank you for your generosity!
